### **AUTHOR GUIDELINES**

**Manuscript Submission:** *GLOBAL JOURNAL OF MULTIDISCIPLINARY STUDIES (GJMS)* has a web-based system for the submission of manuscripts. Please read the Manuscript Submission guidelines below, and then simply visit the journal's site [www.gjms.co.in](http://www.gjms.co.in) to login and submit your article online. All papers should be submitted via the online system.

GJMS considers all manuscripts on the strict condition that they have been submitted only to GJMS, that they have not been published already (except in the form of an abstract or as part of a published lecture or academic thesis), nor are they under consideration for publication or in press elsewhere. To expedite the review process, all manuscripts submitted to GJMS must be prepared according to the following format.

**Language:** Papers are accepted in English, Hindi & Marathi languages.

**Word length:** Articles should be between 3,000 and 8,000 words.

**Cover Page:** This contains the title of the manuscript (50 words maximum), all author names and their corresponding affiliations as well as complete mailing address, telephone and fax number, and E-mail. The designated corresponding author must be identified by an asterisk.

**Title Page:** The second page consists of the manuscript title, abstract (maximum of 250 words that reflects an abbreviated representation of the content of the manuscript including purpose, method, main results, conclusions, and/or recommendations), and up to seven key words for indexing purposes. To facilitate the double-blind review process no material that identifies the author(s) should be placed on this page.

**Text:** For full length papers, text should consist of an Introduction, materials and methods, results, discussion Conclusions, acknowledgements and references. Text citations should adhere to the following examples: (Bram, 1994) or (Aronsson, 2001, 2002; Labonte & Laverack, 2005; Kwan, et al., 2003) or (Limbert, 2004, p.7) (for quoted material). Abbreviations should be fully spelled out in parentheses the first time that they are used in the text.

**References:** Only works actually cited in the text should be included in the references as per following examples. References list should be alphabetized in the last names of the first author of each research paper.

### **SUBMISSION PREPARATION CHECKLIST**

>> As part of the submission process, authors are required to check off their submission's compliance with all of the following items, and submissions may be returned to authors that do not adhere to these guidelines.

>>The submission has not been previously published, nor is it before another journal for consideration (or an explanation has been provided in Comments to the Editor).

>>The submission file is in Open Office, Microsoft Word, RTF, or WordPerfect document file format. Where available, URLs for the references have been provided.

>>The text is single-spaced; uses a 12-point font; employs italics, rather than underlining (except with URL addresses); and all illustrations, figures, and tables are placed within the text at the appropriate points, rather than at the end.

>>The text adheres to the stylistic and bibliographic requirements outlined in the Author Guidelines, which is found in About the Journal.

If submitting to a peer-reviewed section of the journal, the instructions in Ensuring a Blind Review have been followed.

### **COPYRIGHT NOTICE**

Submission of an article implies that the work described has not been published previously (except in the form of an abstract or as part of a published lecture or academic thesis), that it is not under consideration for publication elsewhere, that its publication is approved by all authors and tacitly or explicitly by the responsible authorities where the work was carried out, and that, if accepted, will not be published elsewhere in the same form, in English or in any other language, without the written consent of the Publisher. The Editors reserve the right to edit or otherwise alter all contributions, but authors will receive proofs for approval before publication.

Copyrights for articles published in World Scholars journals are retained by the authors, with first publication rights granted to the journal. The journal/publisher is not responsible for subsequent uses of the work. It is the author's responsibility to bring an infringement action if so desired by the author.
